**SUMMARY ANNUAL REPORT
FOR THE CONSOLIDATED EDISON RETIREMENT PLAN
PLAN NUMBER 001**

The Pension Protection Act of 2006 (PPA) has changed the annual disclosure requirements for participants in a defined benefit pension plan. The Consolidated Edison Retirement Plan (Retirement Plan) Plan Number 001 is subject to the new disclosure rules which became effective with Plan Year 2008.

In the past, federal law required that each year participants receive a Summary Annual Report (SAR) that included certain financial information for the Retirement Plan as of the end of the plan year. Instead of distributing an SAR, the new rules under the PPA require that all participants are notified each year of the funded status of the Plan.

The notice provides the funding status of the Plan; details about how the Plan's assets are invested; and a summary of federal rules governing the termination of pension plans and of benefit payments guaranteed by the Pension Benefit Guaranty Corporation should a company decide to discontinue its pension plan with insufficient assets to pay for benefits earned.

The new notice is available on www.coned.com/retirees/.

**SUMMARY ANNUAL REPORT
FOR THE UNIFORM GROUP INSURANCE PLAN FOR ALL EMPLOYEES
PLAN NUMBER 502**

This is a summary of the annual report of The Consolidated Edison Group Life Insurance Plan, EIN 13-5009340, Plan No. 502, for period January 01, 2016 through December 31, 2016. The annual report has been filed with the Employee Benefits Security Administration, U.S. Department of Labor, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

Insurance Information

The plan has an insurance contract with Metropolitan Life Insurance Company to pay certain life insurance and Accidental Death & Dismemberment claims incurred under the terms of the plan.

Because it is a so called "experience-rated" contract, the premium costs are affected by, among other things, the number and size of claims. Of the total insurance premiums paid for the plan year ending December 31, 2016, the premiums paid under such "experience-rated" contract were \$15,227,794 and the total of all benefit claims paid under the contract during the plan year was \$15,379,416.

Basic Financial Statement

Voluntary Employees' Beneficiary Association (VEBA) Trusts were established as the funding mediums to provide for the cost of postretirement life insurance under the Plan.

The value of plan assets, after subtracting liabilities of the plan, was \$60,824,178 as of December 31, 2016, compared to \$59,888,493 as of January 01, 2016. During the plan year the plan experienced an increase in its net assets of \$935,685. This increase includes unrealized appreciation and depreciation in the value of plan assets; that is, the difference between the value of the plan's assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. During the plan year, the plan had total income of \$13,594,691, including employer contributions of \$7,241,601, employee contributions of \$2,770,278, and earnings from investments of \$3,224,298.
