Retiree Self-Service – myHR Connection

As a retiree from the company, you’ll have the same self-service access to your personal and financial information as you did as an employee. To gain access, you’ll need to complete the one-time registration process.

Once you’re registered, you can:
- View and update your personal information, including your address, email address, and phone number.
- View and update your direct deposit account information and W-4.
- View your paystubs and benefits enrollments.
- Contact the HR Service Center by submitting a request. You can also check the status of previous requests.
- Print your pension verification letter.

If you are a Con Edison customer and already created an account on conEd.com, you can use the same email address and password to register for retiree self-service. Please skip to step 8.
Step 1 – conEd.com/Retirees

Go to www.conEd.com/Retirees. We recommend using Internet Explorer as the browser.

1) Click on Retiree Self-Service in the upper right hand corner.
2) Select to Log In or Register.

IMPORTANT
You’ll need your employee ID and last pension net paycheck amount to verify your identity. If you have not received your first pension check, you can use your last net paycheck as an employee.
Step 2 – Register

After clicking the link, the Log In page will appear. Click Register to begin the process.
Step 3 – Enter Credentials

Enter your first name, last name, and email address. Click the Submit button.

Who is registering?

Sign up to access your account services and features online.

First Name
John

Last Name
Jones

Email Address
testjones@test.com

Your email address will be your new login ID.

Submit

After clicking Submit, you will receive the following message:

We’ve emailed you at
testjones@test.com. Follow the instructions in your email to continue registering.

Not your email address? Register a different email by reloading the page. Your email address will be your new login ID. Resend Your Activation
Step 4 – Verify Email

You will receive an email with the subject line, “Please Verify Your Email Address.”
Click Verify Email Address to continue the registration process.
Step 5 – Set Password

Once you verify your email address, you'll can create your profile.

Set and confirm your password, and then click the Submit button.
Step 6 – Select Second Verification Method

For your security, you'll need to add a second verification method to your account. This will help protect your account from being accessed without your knowledge.

Enter your mobile phone number, choose one of the authentication options, then click the Submit button.

If you don't have a mobile phone, select “I don't have a mobile number.” Select a Security Question, type in the Security Answer, and then click the Submit button.
Step 7 – Registration Successful

After a successful submission, you can click the Log In button to access your account.
Step 8 – Log In

To log into Retiree Self-Service, enter your Login ID using the email address you entered during step 3 and the password you created during step 5 then click the Log In button.

If you’d like to save your credentials so you can log in faster in the future, click the Remember Me indicator. The indicator will turn green when activated.
Step 9 – Second Verification

If you selected the Mobile Phone Number Authentication as your second verification method during step 6, a notification with an access code will be sent to your mobile phone. Enter this access code on the Extra Verification page.

If you chose a Security Question instead, you will need to type in your answer then click the Submit button.
Step 10 – One-Time Retiree Validation

This will bring you to the one-time retiree validation page. You will need to enter your five-digit employee ID, birth date, and your last net pay from your retiree pay stub then click the Submit button. We recommend using Internet Explorer as the browser.

**Retiree's Employee ID**

12345

**Your Birth Date**

01/01/1940

Enter your last pension net pay without commas. If you have not received your first pension check yet enter your last net pay as an employee.

**Last Paycheck (Example: 1234.56)**

1234.56
